

## Invitation to Talk for Parents on “Choice of Secondary Schools”

[For parents of non-Chinese speaking (NCS) students]

Dear Parents,

I am pleased to see that your children will soon complete their primary education and be studying in Secondary 1 in the coming school year. Secondary school life, indeed, is a milestone for your children as they need to be more independent, to learn how to get on with others and to acquire more knowledge and skills in various aspects. In order to help you understand the Secondary School Places Allocation System (SSPA) 2008/2010 and to facilitate your making school choices for your children strategically, the Education Bureau (EDB) is going to organise a talk on “Choice of Secondary Schools” at S.K.H. Kei Fook Primary School on 17.12.2009.

**The talk**, which specially targets at parents of non-Chinese speaking students studying in P6, **will be conducted in English with interpretation services in Hindi, Nepali and Urdu**. The occasion provides you with opportunities to get to know more about the SSPA, how schools will create a diversified learning environment for students to further enhance the effectiveness of learning and teaching; the importance of taking into consideration the developmental needs of your children while choosing a school for them and the education support measures for strengthening the learning and teaching of NCS students.

Please enrol in advance as **seats are reserved on the first-come-first-served basis. Successful applicants need to bring the confirmation slips, serving as admission tickets that will be distributed via our school, along to the talk.** Details of the talk are as follows:
